CDAO Philippines

Tuesday 27 October 2026

08:20	<i>Register; grab a coffee. Mix, mingle and say hello to peers old and new.</i>
08:55	Welcome remarks by Corinium & Chair's opening remarks <u>Chair:</u> Iris Abustan-Alfonso Director - Data Management COPELAND
09:00	Speed Networking – Making new connections at CDAO Philippines!
09:05	Keynote Headliner <u>Speaker:</u> Catherine Balle Vice President - Data Management Office East West Banking Corporation
09:30	Scalable AI Value, Built on Data Readiness <u>Speaker:</u> Savio Mascarenhas Senior Presales Solutions Consultant – Enterprise Boomi

09:55	Panel Discussion How is AI Transforming Access to Data? A Strategic Conversation in Enabling a Data-Forward Enterprise. AI is transforming how organisations access, understand, and act on data, shifting from traditional dashboards and reports to intelligent, conversational experiences. As businesses strive to become more data-forward, leaders must balance greater accessibility with strong governance, security, and trust. This discussion explores how AI is breaking down barriers to data, empowering employees with real-time insights, and reshaping decision-making across the enterprise. • How can data leaders translate AI potential into tangible business outcomes that align with strategic goals? • Breaking down data silos: What role does AI play in connecting fragmented data ecosystems? • Modernise legacy data environments to improve scalability, governance, and operational agility across the organisation. <u>Moderator</u> Ashis Patwary Senior Director – Business Development Tiger Analytics <u>Speakers:</u> Jay Manahan VP – Head of Data Science and Advanced Analytics Metrobank Myk Ogbinar Head of Data and Analytics San Miguel Group Ankit Jain Head – Lending Strategy UnionDigital Bank
10:30	<i>Morning 'Coffee and Connect'</i>
11:00	Panel Discussion Are You Ready for Agentic AI? Rethinking Governance, Readiness and Data Fragmentation Successful AI transformation requires more than technology investment. Organisations must align data, leadership, governance, talent, and business processes to unlock real growth. Many organisations remain stuck with fragmented data, stalled AI pilots, and technology investments that don't translate into revenue impact. This panel will explore the ability to connect data, AI, and business strategy into a single, commercial engine. <u>Moderator</u> Iris Abustan-Alfonso Director - Data Management COPELAND <u>Speakers</u> Edcel A. Data and Impact Assessment Director Teach for the Philippines Devendra Pratap Singh Chief Information Officer Atlantic, Gulf and Pacific Company (AG&P) Patricia Manasan Head of AI Execution and Innovation Security Bank Corporation

11:35	MDM: The Cornerstone of the Agentic Enterprise <u>Speaker:</u> Asheque Mainuddin MDM Specialist Practice Leader Informatica from Salesforce
12:00	Keynote Governance That Accelerates Innovation: Rethinking Data & AI Governance in Modern Enterprises <u>Speaker:</u> Melecio Valerio Head of Data Governance, Group Technology Maya
12:25	AI Doesn't Know When It's Wrong: Here's How You Can <u>Speaker:</u> Stu Garrow VP Asia Pacific Precisely
12:50	<i>Lunch Break! Connect and Converse.</i>
14:05	Modernising your data estate for agentic AI <u>Speakers:</u> Della Zhuang VP of Growth Ataccama Vikram Tandon Director Emisha
14:30	Interactive Keynote Data Leaders - Are We Asking the Right Questions? <u>Facilitator:</u> Louise Castillo Director – AI Product Owner Standard Chartered Bank

14:55	Fireside Chat Championing Privacy, Protecting Data & Powering Growth As data becomes the backbone of AI, innovation, and digital growth, organisations are under increasing pressure to protect it without slowing its use. Yet many still struggle with fragmented governance, inconsistent privacy practices, and rising regulatory expectations that outpace their operating models. This panel explores how leaders can move beyond compliance-led thinking to build privacy and protection into the core of their data strategy. <u>Speakers:</u> Leah Camilla R. Besa-Jimenez Chief Data Privacy Office and Group Head, Enterprise Risk Management PLDT Myk Ogbinar Head of Data and Analytics San Miguel Group
15:30	<i>Afternoon 'Coffee and Connect'</i>
16:10	Interactive Session Governing AI at Scale — Balancing Innovation, Implementation & Risk AI governance is full of difficult decisions, and this session puts those decisions in the hands of the room. Through live Slido polls, audience challenges and candid discussions, participants will have their say on who owns AI risk, what responsible implementation looks like and how organisations can balance innovation with accountability. Expect contrasting perspectives, real-world dilemmas and an open conversation shaped by the people in the room. <u>Facilitators</u> Jek de Chavez-Hermida Director – Enterprise Data & Intelligence Cebu Pacific Air Kashmira George Conference Director Corinium Global Intelligence
16:45	Keynote The Data Leader's Blueprint: Architecture, Governance, and Risk on a Scalable Platform <u>Speaker:</u> Melanie Oteyza Senior Vice President and Group Chief Audit Executive MERALCO
17:10	<i>Closing Remarks by the Chair</i>
17:15	Cheers with Peers: CDAO Drinks Reception <i>Continue the conversation over drinks.</i>
